# Dakota Matrix Minerals

Building Mineral Collections Since 1998

August 8, 2013

## New Additions Update

### Just Released Mix Fine & Rare Minerals

## August 8, 2013 Update

Pyrochlore

You'll find everything from Fine Cabinet to Rare Species in this update. The specimen to the left was featured in the Mineralogical Record.

## Daily Fives

[Follow us on Twitter](#) and get tipped off what will be on that day's Daily Five.

We are likely the most updated mineral website on the Internet. Every week day we offer Five minerals as part of our "Daily Five" gallery. We don't really have a set schedule when we release these, and we don't announce their release. So it is best to check back often.

At times these Daily Five galleries follow a theme. This week we

Euchroite

## Experience Dakota Matrix

Follow the Links below and learn what Dakota Matrix can do for you!

## Register an Account and receive these benefits:

[Read More Here!!](#)

## Your Want List!!

In your Account area input up to 20 mineral names and we will send you an automatic email when we get set to post one of your minerals!! You must use the shopping cart to order - no advanced sales.

## Your Photos!!

Did you know that when you purchase specimens on

posted minerals from the Metaheinrichte from the White King mine and Kola Peninsula, Russia minerals.

## Special Editions

Tsumeb I (part 1). Still some excellent specimens left including this cuprian Dundasite. Stay tuned for the upcoming Tsumeb II.

Upcoming Special Editions:

Franklin - October

Tip Top mine

Miss. Valley Type deposits

Ore Minerals

Rush Creek

[You must Download the Notifier to be informed when the Special Edition is released.](#)

Dundasite - Tsumeb

Dakota Matrix you get the photos too! That's right - your mineral - your photos! Simply go to your account and click the link. How cool is that?

### Queued Orders

A registered account allows you to manage your orders and tell us when to send them. Pay when you are ready (up to 30 days hold). This feature is only allowed after you have successfully completed one order.

### The Dakota Matrix Exclusive Notifier

All Special Editions are randomly released. BUT once you download our NOTIFIER you will be alerted immediately when it is released. If you are at your computer, you may have the first chance to choose the minerals you want. To download the notifier and learn more about Special Editions click below:

[Download the Notifier](#)

### Three ways to Order on [dakotamatrix.com](#)

1. Use the Shopping Cart and take advantage of all of our benefits.
2. Email us your order.
3. Call us at 605 718 9130.

*Please know that if you do not use the shopping cart, you may loose a specimen to someone who is, since we may not make it to the phone or the email as fast as someone using the shopping cart.*

## Rare Species Email List

Sign up for our exclusive Rare Mineral Species email only list. This email is sent out to collectors interested in rare mineral species. When you join this list you will receive advanced opportunity to select rare species from an email text listing before it is published to the Dakota Matrix website. [Click here to see your most recent list Rare Mineral Species List #9.](#) This list contained rare Gysinite and Rebulite.

Send us an email at [dakotamatrix@gmail.com](mailto:dakotamatrix@gmail.com) to join this list

### Mineralpedia!!

Enjoy hundreds of exclusive photos in our Mineralpedia. These are found no where else online. This photo database is loaded with proven, correctly identified mineral photos for your identification needs. Mineral properties are also included.
