Folks have been asking about it and it's finally here! We run this sale every year at this time to clear out older inventory and make room for the new specimens coming back from the Denver Mineral Show. This

year is a little different however. EVERY SHOWROOM on the entire website is included in the sale, including the exceptional rooms and the Tucson 2012 rooms! All specimens are 33.33% off the listed prices which represents a huge 1/3 discount. Offers will also be considered during the sale. Please feel free to use the above coupon as many times as you wish during the sale - THERE IS NO LIMIT! The mineral sale will run through the Denver Show itself but please reserve your choices quickly to avoid disappointment. You can also add specimens to a layaway plan while using the sale coupon to lock in the huge discounts.
