Mineral of the Month Club August 21, 2012

Dear Mineral of the Month Club Members,

We didn't hear from you this month and we don't want you to miss out on some of the wonderful minerals we have to offer you!

Belive it or not, the end of summer is near and September is just around the corner. Before you know it we will be sending you the September Offer Sheet.

So, don't delay and browse the attached Offer Sheet for August 2012.

The famous Jim Minette collection from the Boron mines was a great success and there is a small selection left.

There are several other minerals on the offer sheet that are sure to enhance your collection.

Thank You and Enjoy the rest of the summer.
Christine
