We have just updated the website with 100 new specimens. All price ranges are covered; specimens from the Vendl Colorado suite, Pakistan/Afghani specimens, Norm Woods collection, etc.

This is also a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **Fine old British classics barite and fluorite**
- * **showy Panasqueira blue apatite on matrix**
- * **glassy gem pinkish topaz (large) from Pakistan on matrix**
- * **unusual and neat topaz from Brazil**
- * **pink prismatic fluorapatite, quite unusual, on matrix from Pakistan**
- * **excellent bobdownsite from the Yukon**
- * **well crystallized arsenopyrite on hedenbergite from Inner Mongolia**
- * **several good tourmalines**
- * **several showy Illinois fluorites**
- * **pretty azurites from numerous localities**
- * **large fine Turkish pyrite**
- * **plus many others**

As always, we welcome your comments and suggestions.

**Weinrich Minerals, Inc.
Dan & Diana Weinrich, owners**
