We have just updated the website with 50 new specimens.

This is also a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **pretty large green malachite stalactite**
- * **large fine amethyst from South Korea**
- * **neat and showy stalactitic chalcedony from Indonesia**
- * **very fine and choice large grouping of tourmaline from Pakistan**
- * **large well crystallized quartz on fluorite from Illinois**
- * **variscite slab from Utah; crystallized rose quartz from Maine**
- * **a suite of choice and showy mostly miniature specimens from southern Illinois**
- * **several excellent cabinet display quality pieces from Tsumeb**
- * **plus many others**

As always, we welcome your comments and suggestions.
