We have added 78 new specimens, in all price categories, to the website.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * rare old-time fluorites from Cornwall
- * fine vesuvianite from the Italian Alps
- * neat Michigan copper showing tetrahedral crystals
- * many fine Tsumeb specimens
- * a series of excellent thumbnail specimens
- * several showy azurites from Morocco
- * fine golds from South Africa; showy tourmalines from Namibia
- * gem topaz from Brazil
- * large showy and neat amethyst from Namibia
- * plus many others

As always, we welcome your comments and suggestions.
