I updated the Mallory Collection Gallery with elbaite, rubellite, alexandrite, pink topaz, phenakite, rose quartz with elbaite and others on 11/21/12.

Many of the specimens have special prices.

Please remember to mention that you are a member of Wright's Mineral News for your 10% discount.

I will be updating next week with specimens of very good cuprosklodowskite and autunite.

Chris
