We have added 62 new specimens to the website. All good specimens priced at \$150 and under. Fine thumbnails from the Sal Avella collection, neat things from the Steve Pullman collection, etc.

New auction specimens have also been posted. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * fine large British fluorite specimens
- * richly crystallized skorpionite from Namibia
- * well crystallized large British pyromorphite
- * a beautiful large matrix emerald crystal specimen from Colombia
- * large well crystallized showy realgar from Nevada

Plus many, many others ...

As always, we welcome your comments and suggestions.
