We have added 68 new specimens to the website. Specimens from the Farthing, Luethi collection, as well as others. In all price ranges.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * beautiful gemmy demantoid specimen from Madagascar
- * pretty arsenopyrite/fluorite combination from China
- * large showy deep royal amethyst specimen - exceptional
- * choice silver from Cobalt
- * scheelite from Korea; rare nambulite from Japan
- * several excellent thumbnail specimens
- * very showy hand sized pyromorphite from China
- * old-time British calcite with Jefferis label
- * several fine Namibian tourmalines

Plus many, many others ...

As always, we welcome your comments and suggestions.
