**The 12th Annual Pre-Tucson Mineral Sale!**

It's hard to believe it but it's that time again. The Tucson Mineral Show is only weeks away and the annual pre-show mineral sale is up and running! Once again, every mineral in every mineral showroom on the entire website is on sale, with 30% discounts across the board. This discount even applies to the newest update items from Denver 2012. Please feel free to use the attached sale coupon as many times as you wish for as many items as you choose. The 30% sale discount will be applied to the listed website prices when you place your order. **Please note: The website prices are not the sale prices and do not reflect the sale discount.** In some cases, the sale discounts may be larger than 30%, especially on some older items. Please feel free to make offers. Layaways are also available during the big sale.

Here are a handful of the showroom links taking part in the sale!
