This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * fine British classics such as barite, galena/fluorite and calcite
- * beautiful large fluorites and calcites from Illinois
- * large neatly etched smoky quartz from Pakistan
- * several good thumbnails and rare species from the Avella collection
- * showy green fluorite from South Africa
- * excellent ruby specimens and one fine spinel
- * many good Tsumeb specimens
- * a superb California benitoite
- * choice Romanian scheelite
- * old and rare crystallized proustite from New Mexico
- * Plus many, many others ...

As always, we welcome your comments and suggestions.
