The Newest Tucson Show Auction is Online!

The newest Tucson Mineral Auction is OPEN! This auction will feature **26** fine mineral specimens from both the website and the show! Each item has a suggested opening bid level set at or below wholesale and in many cases, this equals **HALF PRICE!** Please feel free to bid at these low reserve levels or make your own best offer. The auctions just keep getting better and better and this is our best offering yet! This auction features gem minerals like Tanzanite, Aquamarine, Citrine, Hessonite, Zircon, and Tourmaline. It also features incredible Gold specimens from the 16 to 1 Mine and Eagle's Nest Mine - both world famous California localities. Everyone is invited to browse the auction and make an offer or two. There should be something for everyone's collection this time.
