The New Tucson Show Auction is Online!

The Tucson Mineral Auction is open for bidding! This auction will feature **28** incredible mineral specimens from the Tucson show and showrooms. Each has a suggested opening bid level set at or below wholesale and in many cases, this means **HALF PRICE** or less! Feel free to bid at these low reserve levels or make your own best offer. The highest bids will win on closing night. The offering in this auction is one of the finest we've done since Tucson! Museum quality specimens of Gold and Silver along with a large offering of new show specimens should add a good amount of excitement to the bidding this time around. Please e-mail if you have any questions regarding the items or offers. Have fun and Good Luck!!
