The Gold and Silver Showrooms

I just completed the first update to the Gold and Silver specimen showrooms in over six months and they are now fully stocked with some of the finest, most beautiful Golds and Silvers we've ever offered. I also noticed that we seem to be overstocked in both at the moment so the selection is very wide and varied. I can't imagine a better time to browse the showrooms if you're looking to add a prized Native Element specimen to your collection. Offers are very welcome!
