A gallery with new "sale" items has been updated on the website. Specimens with discounts up to 60% off their original list price are available.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * a gemmy epidote from Pakistan
- * many good classic thumbnails including Bisbee azurite, Michigan copper, Red Cloud wulfenite, several fine crystallized native golds, purple Maine apatite, etc.
- * a neat large scepter quartz from Maine
- * showy stalactitic malachite from Congo
- * choice Chinese azurite
- * excellent Peruvian pyrite
- * a slab of rhodochrosite from Argentina
- * several fine large quartz specimens
- * Plus many, many others ...

As always, we welcome your comments and suggestions.
