Subject: * * Update - The Tucson Mineral Auction Closes Tonight! * *

This is it, the final day for bids and offers!

The current Tucson Show Mineral Auction will begin closing this evening at 9 PM central / 10 PM eastern. All bids and offers must be received by that time.

If you haven't visited the auction yet, now is a great time to make an offer and take advantage of the low bidding levels! There are so many beautiful specimens that need bids just to get the process rolling. I'd like to see every auction item find a new home if possible so all reasonable bids and offers will be accepted.

Layaways and proxy bidding are available if you can't be here for the closing.
