Announcing the 12th Annual Pre-Denver Sale

The Denver Mineral Show is fast approaching and it's time again for the huge clearance sale in order to make space for new show specimens! **Starting now until the Denver Show in September, every specimen in every showroom on the entire website will be reduced in price by 25% to 40%! Discounts will vary**

according to the specimen and showroom, but all discounts will be our largest of the entire year and no reasonable offers will be refused. Discounts will be applied to the online website prices. For example - If you choose to purchase a specimen listed at \$1000 on the website, the discount will reduce the price to \$750 and possibly as low as \$600. As you can see, there will be no small discounts in this mineral sale. My goal is to sell as many specimens as possible before the new Denver Showroom Updates begin and I invite everyone to take advantage of the huge discounts to add some fine specimens to your collection!

The Following Showrooms are Included in the Mineral Sale....

- [Denver 2012 Showrooms](#)
