During the past several days we have updated the regular website galleries with new specimens.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **velvety green Bisbee malachite**
- * **large fine Panasqueira fluorapatite with quartz**
- * **superb sharp lustrous hematite from Italy**
- * **large old-time Weardale fluorite**
- * **neat scheelite from Pakistan**
- * **large attractive deep purple amethyst from Brazil**
- * **numerous rare and unusual species**
- * **neat poker chip calcite from Mexico**
- * **large fine matrix galena from the Viburnum Trend**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.
