We have added over 100 new specimens to the 50% off sale galleries on the regular website. Some great deals here! Look for another update of top specimens on Thursday.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **superb Tsumeb azurite, ex Tate collection**
- * **beautiful large well crystallized red vanadinite from Arizona**
- * **excellent Tsumeb anglesite**
- * **showy prehnite from Namibia**
- * **large showy cactus quartz/amethyst from Namibia**
- * **large fine Celestine/calcite from Illinois**
- * **large glassy mostly gemmy barite from Iowa**
- * **numerous interesting and rare species**
- * **fine uvite/magnesite from Brazil**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.
