## The Auction Closes Tonight at 9 PM Central

These are the final hours of the latest Denver Show Auction but there's still plenty of time to place a bid. No reasonable offer will be refused and proxy bidding is available if you can't attend the close. Layaways are also welcome.

This is a holiday auction and as such, it has been extremely slow and many items are without bids. As a result, I'm even more open to offers and will pretty much accept anything provided it is reasonable. I'm also going to leave the auction open for offers after the close so any item without a bid can still be offered on and purchased in the days that follow tonight's closing.
