The Auction Closes Tomorrow at 9 PM Central

The Final Denver Mineral Auction of 2013 will close tomorrow evening on Tuesday, Dec. 24th at 9 PM central time / 10 PM eastern time.

The auction is winding down but there's still time left to place a bid or make an offer. Due to the slowness of Holiday bidding, there are still many items which need opening bids and offers and those with bids are near or below the suggested reserve levels. For this reason, I will be accepting ALL offers which are reasonable and the auction will remain open for additional offers on specimens without opening bids even after tomorrow night's closing.
