New specimens have been added to the sale/clearance section of the website. Two hundred specimens are now in this gallery and available at 50% off the listed prices.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * fine Butte pyrite cabinet piece
- * numerous fine coppers from Michigan
- * large blue-green crystallized smithsonite from Morocco
- * large showy azurite from Morenci, Arizona
- * beautiful large green fluorite from China - very fine!
- * many excellent thumbnail specimens
- * large opal in matrix from Australia
- * Plus many, many others ...

As always, we welcome your comments and suggestions.
