**We have moved 24 specimens into the 50% off sale/clearance galleries.**

**This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:**

- \* **an excellent brookite from Pakistan**
- \* **large fine well crystallized trona from California**
- \* **large showy pink calcite from Wisconsin**
- \* **superb large cerussite from Morocco**
- \* **several rare and unusual species**
- \* **many good thumbnail specimens**
- \* **well crystallized chlorargyrite from Colorado**
- \* **fine large partly gemmy yellow anglesite from Morocco**
- \* **Plus many, many others ...**

**This week will be the last shipping date for any auction orders until the end of February, after the Tucson Shows. If you have items on hold, and would like to make sure that they ship before we leave, please let us know.**

**As always, we welcome your comments and suggestions.**

**Weinrich Minerals, Inc.
