Celestial Earth Minerals & Mineral of the Month Club February New Arrivals

chlorite quartz

Dear (Contact First Name),

We are continuing to expand our selection of minerals and this month there are a slew of minerals coming your way!

The amethyst and smoky quartz selection has expanded greatly already.

This weekend you will first see chalcedony, agatized coral, chlorite quartz and celestine being posted which will be followed by pink and green Elbaite (tourmaline) points, jasper and more.

Be sure to visit the **New Arrivals** section on the home page.
