## **The Tucson Mineral Auction Closes Thursday**

The newest Tucson Auction is almost over and will close tomorrow on Thursday, March 13th at 9 PM Central Time. There are a good number of beautiful Tucson specimens still waiting for opening bids and those which have bids are currently at or below the suggested reserves. Remember, these are high quality specimens bidding at low levels which are far less than what you would see at a show. I hope everyone will visit the auction and take a specimen or two home to their collections. Only two more days to go!

**Auction specimens are 50% below Market Value**

**And all reasonable bids and offers below the reserves will be accepted**
