**New specimens have been added to the 50% off sale galleries. We will have another large update on Wednesday, including many more specimens from the Ralph Merrill collection.**

**This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:**

- \* **several good native silver specimens**
- \* **fine campylite from England**
- \* **beautiful yellow mimetite from Mexico**
- \* **gem topaz from Pakistan**
- \* **several good smithsonites from Tsumeb and Morocco**
- \* **a fine Washington grossular**
- \* **large barite from Magma Mine, Arizona**
- \* **several good adamites**
- \* **Plus many, many others ...**

**As always, we welcome your comments and suggestions.**
