Subject: MINERALS (with important change in EMAIL to prevent errors)

UPDATE REGARDING EMAIL: The email "spoof" that occurred last week was fixed by AOL altering their IP settings to only authorize email sent from AOL servers. As a result these weekly email announcements sent by Constant Contact now have a new sender address: j.betts@johnbetts-fineminerals.com. **Please add this email address to your authorized email list (white list) if your email service has one.**

New minerals were added moments ago added to my web site.

The minerals are now available for viewing at these 2 pages:
