Yesterday we added a beautiful set of Veracruz, Mexico amethyst specimens to the website. Tomorrow look for 60 more "sale" items at 50% off. There will be some neat things in this update.

New specimens have been posted for this week's auction. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **excellent gem crystal specimens such as aquamarines, peridot, etc.**
- * **fine Alpine smoky quartz specimen**
- * **rhodochrosite from Colorado; pyromorphite from France**
- * **large well crystallized axinite from Pakistan**
- * **classics such as Kelly smithsonite, Wisconsin calcite and Michigan copper**
- * **some excellent thumbnail specimens**
- * **Chessy azurite**
- * **Gold from California**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.

**Weinrich Minerals, Inc.
Dan & Diana Weinrich, owners**
