Subject: * * The Tucson Mineral Auction Closes Tonight! * *

The Suggested Reserves have been Lowered!

This is a quick notice that the current Tucson Mineral Auction will close this evening at 9 PM Central Time. Now is a great time to check all bids and make adjustments if necessary. It's an even better time to make last minute bids and offers. The prices are low and all reasonable offers will be accepted. Just to make things more interesting, I've also lowered the "suggested reserves" in the auction so starting levels are now even better. Proxy bidding is available if you can't attend tonight's closing. Good luck!
