Dakota Matrix Minerals

July 3, 2014

Hi Folks

Just a quick note to let you know our Weekly Update will be **tonight at 7pm US Mountain Time**. There will be a few new IMA minerals on the list including Blueizardite and Itsiite. Otherwise, as usual, you will a wide variety of minerals from all over the world.

Also, I am hoping to get out a **Micro Bag update next week**. They are all prepared and ready to be placed online. We have 30 of these.

One last note: Please enjoy your holiday weekend and especially be safe!

Thank you so much for your business!

Sincerely,

Tom Loomis
