## The Final Tucson 2014 Update is Online!

The Tucson Updates conclude today with the 10th and final showroom. There are well over two dozen specimens offered this time, including fine classics like Sweet Home Rhodochrosite; Brazilianite crystals on Albite; Morenci Mine Malachite with Azurite; Native Copper from Michigan; crystalline Native Gold from California; San Francisco Mine Wulfenite with Barite on Mimetite; Native Silver wires on Acanthite from Creede; Cerussite from Tsumeb; Purple Fluorite with Barite from Berbes; very rare Native Gold on Pyrite and Bornite from Bisbee; Cuprite crystals on Native Copper from the China Pit; gem Morganite on Albite from Afghanistan; rare Celestine from Emery County, Utah; and much more!!

You're invited to visit the new showroom, enjoy the photos, and add a beautiful mineral specimen to your collection. Offers are very welcome!
