The Summer Showroom Updates!

The First Summer Update is now online and is filled with over two dozen beautiful specimens! I created the Summer Showrooms to fill the time gap between the final Tucson update and the first Denver update. I'm going to try to get as many as 5 Summer Showrooms online before leaving for the Denver Show in September if time permits. If it doesn't, then these rooms will simply merge into the Denver Showrooms. In the meantime, enjoy the new minerals and add a beautiful specimen or two to your collection. As always, offers are very welcome and layaways are available by request.
