Announcing the Opening of the Sale!

The 15th Annual Pre-Denver Show Mineral Sale is underway and once again, the discounts will be deep and will include EVERY specimen on the website. This year, I'm going to introduce the sale a little differently. Every few days, a new series of showrooms will join the sale until all showrooms are discounted.

Today, the sale opens up with the Denver 2012 Showrooms. These showrooms are re-updated and reorganized for quicker browsing. Every specimen in these seven showrooms is now discounted 50% OFF the listed website prices. There are no exceptions. Every item in the Denver 2012 showrooms is now half priced! Browse the rooms and reserve your selections quickly. Layways are available.
