The Tucson 2013 Rooms Join the Sale!

The 15th Annual Pre-Denver Show Mineral Sale is underway and once again, the discounts will be deep and will include EVERY specimen on the website. This year, I'm going to introduce the sale a little differently. Every few days, a new series of showrooms will join the sale until all showrooms are discounted.

Today, the sale moves on to the Tucson 2013 Showrooms and there are some incredible specimens in these rooms! Fine Native Golds and Silvers, gemmy Beryls, gorgeous Fluorites, classics and rarities, etc, etc.... AND ALL are now discounted 30% to 40% OFF the website prices! Most will average around 35% which equals huge savings for everyone. To put this into perspective, a Native crystalline Gold listed for \$10,000 in the showrooms is now sale priced down to only \$6500! Every specimen is discounted and this is our largest sale of the

year so please reserve your selections early to avoid disappointment. Dealers are very welcome and as always, layaways are available to lock in the savings!

Tucson 2013 Rooms - 30% to 40% OFF

Denver 2012 Showrooms - 50% OFF
