The Current Auction Closes Tomorrow Night!

The Newest Mineral Auction is winding down and will close tomorrow on Thursday, Oct. the 9th at 9 PM Eastern Time. Many fine auction specimens still need bids so this is the perfect time to take advantage of the low auction price levels and take part in the action. If you see a specimen you'd like to bid on, please email me your best offer. The reserves can be used as a price guide but all reasonable bids and offers will be accepted. Proxy bidding is available.

All specimens offered below Market Value!
All reasonable offers will be accepted for the close!
Feel free to bid at or below the Suggested Reserves!

The highest bids or offers will be the winners on closing night.
