**We have added a set of nice thumbnail specimens to the regular website galleries. Look for other updates throughout the rest of the week.**

**This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 125 great items - too many good ones to feature all in this mail! Highlights include:**

- \* a very fine old-time German manganite
- \* superb Elmwood combination piece, ex Neely
- \* gorgeous twinned calcite from China
- \* several nice Tsumeb pseudomorph specimens
- \* large showy gemmy Chinese fluorite
- \* Plus many, many others ...

**As always, we welcome your comments and suggestions.**
