We have made two updates to the website today. One is a set of 41 neat specimens, thumbnails, large cabinet, etc. A real mix of things. The other update is of wholesale flats, all at 75%.

New specimens have been posted for this week's auction. There are 143 great items - too many good ones to feature all in this mail! Highlights include:

- * outstanding Michigan copper**
- * showy Russian datolite**
- * numerous good gem topaz specimens**
- * pretty elbaite groupings**
- * a fine gem matrix morganite**
- * numerous good lots of specimens**
- * Plus many, many others ...**

As always, we welcome your comments and suggestions.
