**First - we would like to wish everyone a happy holiday season!**

**We have been updating the website almost everyday. Yesterday, nice specimens from Missouri's Viburnum Trend. Today only top quality pieces - some really outstanding and worth a look!**

**This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 152 great items - too many good ones to feature all in this mail! Highlights include:**

- \* Gorgeous vanadinite specimens from Morocco**
- \* Fluorite and Apophyllite (ex Tate)**
- \* superb Milpillas azurite; good Tsumeb pseudomorph**
- \* Kelly smithsonite (ex Tate)**
- \* choice large DT ilvaite from China**
- \* large cabinet display quality pyrochlore from Russia**
- \* Plus many, many others ...**

**As always, we welcome your comments and suggestions.**

**Weinrich Minerals, Inc.**

**Dan & Diana Weinrich, owners**
