# *** The Pre-Tucson Show Mineral Sale ***

## All Showrooms are Discounted up to 40% off the Listed Prices!!!

This is the FINAL WEEK of the Tucson Mineral Sale and I'm going to up the discounts even more during the final seven days! The sale discounts have been ranging from 25% to 40% but I really need to make some space for all the new show specimens so these discounts will become even larger and this goes for the newest showroom specimens as well. There are hundreds of fine minerals to choose from and all discounts will be applied to the current website prices. The online prices DO NOT reflect the sale discounts. All specimens will be discounted when reserved for purchase. Offers and dealer orders are welcome.

Don't miss out on these huge discounts! Layaways are available during the sale!
