The Tucson Auction Closes Tomorrow Night!

The Fifth Tucson Mineral Auction is winding down and will close tomorrow, May 26th at 9 PM Central, 10 PM Eastern Time. As with most holiday auctions, this one has been slower than normal and there are many fine specimens which still need bids. This is the PERFECT time to take advantage of the low auction price levels by joining in with the bidding. If you see a specimen you'd like to try for, please email me your best offer. The reserves are there to be a price guide but all reasonable bids and offers will be accepted. Proxy bidding and layaways are available if you'd like to pay over time for your winnings. **I'd really like to see every specimen receive a bid so please don't hesitate to ask me to lower a reserve if you wish to bid. If at all possible, I'll be happy to do so.**

**All specimens offered below Market Value!
All reasonable offers will be accepted for the close!
Feel free to bid at or below the Suggested Reserves!**

The highest bids and offers will be the winners on closing night!
