**** The Pre-Denver Mineral Sale Auction is Open

This Pre-Denver Sale Auction features 30 high end specimens at half priced opening reserves levels. Most of these specimens are from the Exceptional Mineral Rooms but there are also new specimens in the mix along with high quality specimens from various showrooms. The reserves are set at a 50% discount level but please feel free to bid below

the suggested reserves. If your offer is too low, a counteroffer will be emailed to you. This 6 day auction will run along with the Pre-Denver Mineral Sale and is a great opportunity to win a high quality mineral specimen at a wholesale or less price level. Have fun and good luck!
