We had originally planned to update the site today, but we are doing an upgrade and enlarging the thumbnail size photos. Once this is completed, hopefully by Thursday, we will update with 24 new specimens.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 126 great specimens available. Highlights include:

- * choice silver specimens from Mexico**
 - * beautiful fluorite from Spain**
 - * large showy blue lapis lazuli**
 - * gorgeous matrix gem barite from Iowa**
 - * several rhodochrosite specimens**
 - * many good colorful specimens from the Galas collection**
- plus many others.**
