**New Update - New Auction**

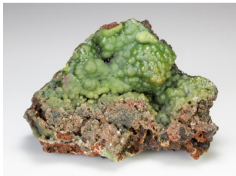

We have added new specimens to the website. You can find these on the Home Page. To view specimens that have been added throughout the week click here: [New Specimens](#). Look for a set of nice wholesale Missouri specimens updated by Friday morning. To see information on future updates, be sure to check the announcement box on the home page of the site.

New Specimens have been posted for auction. Some great things this week, including:

- Strontioginorite - Germany
- Cavansite - India
- Numerous good thumbnails
- Numerous neat rare species
- Large fine malachite stalactite
- Many other good colorful specimens

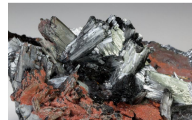

You can find these by clicking on the Auction Link on our Home Page.

Arsendescloizite - Mexico

Fluorite - Tennessee

Ramsdellite - New Mexico

Diopside - Congo
