New Updates - New Auction

We continue to add new specimens to the website. Soon we should have an update of inexpensive and neat thumbnail specimens. To view specimens that have been added throughout the week click here: [New Specimens.](#)

New auction lots are now posted. There are 144 great lots available. These include:

fine proustite from Chile
beautiful amethyst from Mexico
excellent crystallized ludlamite from Idaho
several superb twinned galena specimens from Missouri
neat thumbnail specimens
Many other good colorful specimens

You can find these by clicking on the Auction Link on our Home Page.
