## New Updates - Auction Closing

We continue to add new specimens to the website. Our latest updates include showy inexpensive wavellite thumbnails and minatures from Arkansas, a superb tanzanite crystal, large smithsonite from Morocco, rare species, etc. Look for more updates throughout this week. To view specimens that have been added throughout the week click here: [New Specimens.](#)

New specimens have been added to the discount section. Some great specimens are now being offered at 50% to 80% off their list prices! To see these directly click here: [Discount Specimens.](#)

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 139 great lots available. These include:

selected rarities from the Henkel collection  
Galas collection specimens  
large Indiana calcite group  
several good lots of specimens; choice thumbnails  
Many other good colorful specimens

You can find these by clicking on the Auction Link on our Home Page.
