## Dakota Matrix Minerals

**Nov. 20, 2015**

Hi Folks,

[New Addition Minerals](#) will be posted **tonight at 6pm US Mtn Time.** The 36 count line-up will include our usual variety of rare and unusual minerals. Below are three examples: Cacoxenite, Strengite & Stellerite.

### Specimens from the Don Shultz Collection

Our Next Special edition will be "**Tsumeb III**" in November. It will probably be on black Friday the 27th if I don't eat too much and fall asleep. Please make sure you have the [Notifier installed](#).

Click here: <http://www.dakotamatrix.com/mineral-galleries/specialeditions/upcoming> to go the page to Download the Notifier. You will see a link at the top of the page.

Everyone have a nice Thanksgiving. We are thankful for all of our wonderful customers. Selling minerals is fun enough, but you all are the dressing on my plate. Gobble Gobble.

Thanks!

Tom
