Subject: New Updates/Auction Closing

New Updates - Auction Closing

We continue to add new specimens to the website. Our latest updates include an excellent set of old-time very fine German manganite specimens. Also a mix of nice things from the Galas collection, including many good ones at 50% off. To view specimens that have been added throughout the week click here: [Â New Specimens.](#)

New specimens have been added to the discount section. Some great specimens are now being offered at 50% to 80% off their list prices! To see these directly click here: [Discount Specimens.](#)

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 139 great lots available. Some very nice things here! These include:

large Colorado covellite
many attractive Galas collection specimens
neat rarities, good thumbnail specimens
an excellent Japan law twin quartz from Arizona
very good hubeite/inesite combination from China
Plus many others

You can find these by clicking on the Auction Link on our Home Page.
