New Updates - Auction Closing

We continue to add new specimens to the website. Our latest updates include specimens from the recently acquired Vochten collection. Look for more new material to be added on an almost daily basis. To view specimens that have been added throughout the week click here: [New Specimens.](#)

New specimens have been added to the discount section. Some great specimens are now being offered at 50% to 80% off their list prices! To see these directly click here: [Discount Specimens.](#)

New auction specimens have been added. There are 131 great lots available. Some very nice things here! These include:

showy large Elmwood fluorite specimen
attractive blue azurite from China
electric blue azurite from Arizona
choice cabinet display pieces from the Vochten collection
attractive and colorful specimens from the Galas collection
many good wholesale lots
Plus many others

You can find these by clicking on the Auction Link on our Home Page.
