The First Ever THREE DAY Mineral Sale!!!

The Three Day Sale has been a huge success with many specimens finding new homes this weekend. I'm receiving requests from collectors to give them an extra day to shop the website to take advantage of the huge sale discounts. Therefore, I've decided to extend the sale by one day until Monday, April 2nd, with the sale ending at midnight tomorrow central time. This will give everyone all of Monday to browse the mineral showrooms and reserve their selections. I'm also going to start removing many of the sold items to speed up the browsing process for each showroom. Please note - The prices online are not discounted prices. **All online prices will be discounted by 25% to 30% and even more for larger purchases when you finalize your order.** Thanks again for making this sale so successful!

Here are some quick links to the sale showrooms*. Take advantage of these crazy discounts and lock in your specimen orders today. This short sale ends on Monday night at midnight! The layaway option is available for all orders!
