## Dakota Matrix Minerals

**May 20, 2016**

Hi Folks,

[Weekly Update tonight at 6pm US Mountain Time](#)

A few of the minerals on tonight's update:

Zippeite - Utah

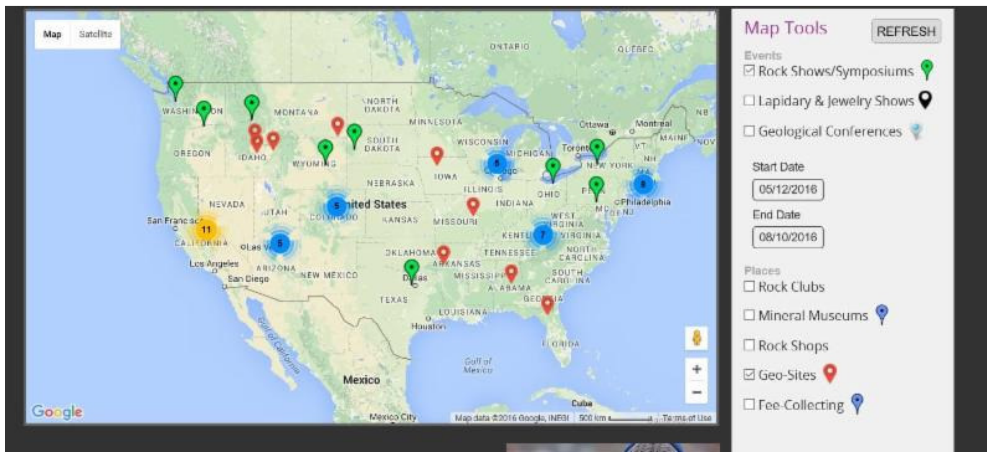

Pyrite - Butte

Carletonite - MSH

The three minerals above plus 32 others can be seen on [Dakota Matrix Minerals](#).

Our new website called [RockandMineralShows.com](#) went live.

As this site grows you will eventually see hundreds of club shows across the USA. The database is still growing and not all shows are listed. Someday I hope to expand this to Canada and Europe.

We also list Mineral Museums, Rock Shops, Lapidary shows, and Fee - Collecting sites.

All of it is user driven. There has been a lot of activity so far!

**Listing a show is FREE - club shows, independent and big shows.** Once you sign-up for the Basic Membership, **you can also sell & buy minerals or other related mineralogy item for FREE.** No strings.

So please, spread the word, forward this email, and use the site while you travel or plan your vacation. This will also help all FM and AFMS shows plan their shows and coordinate dates.

Have a great weekend!

Tom
